

# Notice of cancellation German Autolabs

## Right of cancellation

You have the right to cancel this contract within fourteen days without stating any reasons.

The revocation deadline is fourteen days from the day on which you or a third party appointed by you who is not the carrier has taken possession of the last article of merchandise. To exercise your right to cancel you must inform us (German Auto Labs GAL GmbH, 10997 Berlin, e-mail address: help@chris.com) via an unambiguous declaration (e.g. a letter sent by mail or an e-mail) regarding your decision to revoke this contract. For this purpose you can use the attached sample cancellation form, which is however not mandatory.

To comply with the revocation deadline, it is sufficient to send the notification regarding exercising the right to cancel before expiration of the revocation deadline.

## Consequences of cancellation

If you revoke this contract we must refund to you all payments that we have received from you, including the delivery costs (with the exception of the additional costs that accrue if you have selected a delivery type other than the most favorable standard delivery offered by us), immediately and at the latest within fourteen days of the day on which the notification of your cancellation of this contract was received by us. For this refund, we use the same means of payment that you employed for the original transaction, unless otherwise expressly agreed with you; under no circumstances will you be charged fees because of this refund. We can refuse refund until we have received the goods in return or until you have provided evidence that you have returned the goods, depending on whichever is the earlier date.

You must return the goods to us immediately and in all cases at the latest within fourteen days of the day on which you notify us of the revocation of this contract. The deadline is met if you dispatch the goods before expiration of the period of fourteen days.

We bear the costs of returning the goods.

You must pay for any loss in value of the goods only if this loss in value is attributable to an unnecessary handling of them in order to check their quality, characteristics and functionality.
